INTERN ARCHITECT

IMPORTANT REQUIREMENT

Please provide a cover letter, resume, and work samples with your application.

IIW, P.C. is a multi-disciplined firm providing creative and innovative solutions in architecture, engineering, land surveying, and construction services to public and private clients. IIW has over 75 employees with its corporate headquarters in Dubuque, Iowa; branch offices in Davenport, Iowa and St. Cloud, Minnesota; and satellite offices in Hazel Green, Wisconsin and the Fox Cities, Wisconsin.

IIW is continually seeking highly qualified individuals to enhance our staff and better serve our clients. If you'd like to work with an experienced team of professionals, you are in the right place. IIW staff has experience in guiding and mentoring young professionals, helping them to succeed and excel in their careers.

IIW Minnesota, located in St. Cloud, is currently seeking an **Intern Architect**. What makes you the ideal candidate for the position?

- > Enjoy a team/collaborative environment
- > Interested in being exposed to the construction of two large high school projects
- > Have a proficiency in Revit
- > Sketchup, InDesign and Enscape experience a plus
- > Interested in continuous growth and learning opportunities
- > BArch or MArch professional degree
- > Interested in a variety of building types

If you are interested, we'd like to talk to you!

At IIW, we've created an environment that enhances our employees' professional development, work satisfaction, and the ability to give back to our communities in a real, tangible way. We've been recognized as a "Best Place to Work" by Zweig White, and we are committed to living up to that standard. IIW provides a comprehensive benefits package, promoting reasonable work hours and a healthy work-life balance.
